Our Learning Themes

For the month of May we are continuing our learning about things that grow. We are looking forward to the arrival of our 'live' caterpillars!

Please check out the class news pages on our website for weekly updates on what each class is doing. We are also starting our learning about "People we know and who can help us".

Scholastic Book Fair

We will be holding a "Scholastic Book Fair" in school from Weds 16th May until Tuesday 22nd May. Each class will have an opportunity to visit the book fair with their teacher as well as with parents to buy books of their choosing. We will let you know nearer to the event when your child will be visiting and the times it will be open. There will also be a colouring competition sent home for each child to take part in. The prizes will be a selection of books! Please support this event as the nursery will receive books for free based upon the amount of books sold!

MAY FAIR DAY

Tuesday 22nd May is Ballyclare May Fair Day. Due to the closure of the roads around the area the nursery will be closing at 11am. There will be no afternoon session on that day.

Parents Meetings and Transition Reports

Parents meetings are being held in school WB 4th June- 7th June. At this meeting you will receive your child's transition report that will be sent on to their Primary School. The meetings will run from 11-12:30 and 2:30-4pm. If you are unable to meet with us at these times we will be able to arrange an alternative time and date with you so that you may read and sign your child's report. A list of available appointments will be available outside your child's classroom from Monday 21st May. If you are unable to get into school to sign up for a time, then please contact us to arrange an appointment.
